

TBA BAND BOOSTER TRAINING

FRIDAY, JULY 27

8am to 5:30pm

**Room 217D – Henry B. Gonzalez Convention Center
San Antonio**

The TBA Band Booster Day will be on Friday, July 27 from 8am until 6pm in the Henry B. Gonzalez Convention Center in San Antonio. Registration fee is \$100 per school with no limit on the number of boosters attending from each school. Pre-registration is available until July 1 by printing the form found on the TBA website and mailing with your payment. All attendees should report to room 217D at 8am. Those who have pre-registered will be issued badges and those who need to register on-site will complete their registration in room 217D at that time.

The ***Strategic Boosters*** seminar will be presented by nationally recognized music educator David Vandewalker and will include information helpful to all band boosters. Dr. Vandewalker will also include an informal question/answer session during the day. A lunch break will be provided—there are many restaurants close to the convention center.

In addition to the topics covered, there will be time built into your schedule to attend the TBA Exhibit Hall. Vendors from across the country display the latest products available for use with band programs. This includes music, instruments, tour companies, and the latest in fund raising opportunities. Gain new and exciting ideas for your band program by visiting over 600 booths in the TBA Exhibit Hall!

All band boosters are committed to supporting their students and directors. However, until now there has been little opportunity for professional training for the important job of Band Booster. TBA is filling this void! Take advantage of this opportunity and prepare to be the best band booster possible. Leave the seminar motivated and ready for a great school year!

TBA thanks Conn-Selmer, Inc. for sponsorship of TBA Booster Training.
