

TBA TENNIS TOURNAMENT

David Rollins, our TBA Tennis Tournament coordinator, extends a special invitation to all who enjoy playing tennis. Because of the loss of a great TBA member that ran the Tournament for many years, we are re-naming our event to, **The Charlie Mayes Memorial Tennis Fellowship. (CMMTF)** Over the last few years our tournament has evolved into more of a tennis gathering of members that just enjoy playing. It is open to members and their family. We will get together and have those in attendance play alongside those with equal experience and just have fun. No pressure, no trophies. All abilities are welcome. Last year, players came from across the state. Everyone had a great time, which is what the **CMMTF** is all about.

The TBA **CMMTF** is held at the Blossom Tennis Center. This is part of the North-East ISD Athletic Complex. There are 17 courts and the layout is perfect for our tournament. This has been our location for several years. If you are interested, please give me a call or send an email, and I will be sure to have enough courts reserved. We are usually through by noon, so everyone may attend other TBA events in the afternoon. Any Fees that we collect will be used to tip our Blossom Tennis staff. Hope to see you there.
